

CLARIFICATION RESPONSES

Date issued: 31 October 2016	
-------------------------------------	--

		Clarification	Response
1.	27 October 2016	Regarding the Request for Expression of Interest in the object, I kindly ask you to confirm that the total installed capacity of the proposed Luapula River Hydro-Electric Scheme will be of 627 MW as a sum of three hydropower plants (i.e. Mumbotuta - CX, Mambilima I and II)	Please refer to the “objective and scope” of the assignment as per the Request It is anticipated that this study shall derive appropriate installed capacity for each of the five sites.
2	28 October 2016	In the shortlisting criteria table the sum of items 1.1, 1.2 and 1.3 is 35 points (20+10+5) and not 40 points as indicated in the item 1 of the table (Evidence of experience gained with hydro power in the last 15 years). Please clarify.	The total points will be 35 for “Evidence of experience gained with hydro power in the last 15 years”
3	28 October 2016	In the shortlisting criteria table, the sum of items 2.1, 2.2, 2.3, 2.4 and 2.5 is 65 points and not 60 points as indicated in the item 2 of the table (Suitability for this specific project:”. Please clarify.	The total points will be 65 for “Suitability for this specific project”
4	28 October 2016	3. Annex 1.4 and 1.5 are not on the list of the PREQUALIFICATION DOCUMENTS (pages 5 and 6 of Request for Expression of Interest). Must we include these annexes in our prequalification documents? If yes, in which section?	Both Annex 1.4 and Annex 1.5 must be submitted. Annex 1.4 and Annex 1.5 to be included (inserted) in Section 2 of the prequalification document
5	28 October 2016	In the shortlisting criteria table on the page 4, the item 1 indicates the "Evidence of experience gained with hydropower in the last 15 years" and on the page 3 we can read : “ The Consultant shall be a qualified, internationally recognized firm with at last 15 years of experience in power sector consulting services and a minimum of 15 years of specific experience in hydropower development, however, on the page 6, section (vi) we read "List of project references carried out as per Annex 1.3 covering the last 10 years and strictly related to the envisaged services". Please clarify the applicable number of years.	15 years of experience is required.

6	01 November 2016	Could you please clarify if you want the Eol for the “Bankable Feasibility Study for the Luapula River Hydro-Electric Scheme” also in French? Page 5 of the request for Eol mentions that the prequalification document has to be in English language. Page 6 it is mentioned that the Eol has to be delivered in English and French.	The EOI must be submitted in English and French
